§ 20-37.13A. Medical qualifications standards; waiver for intrastate drivers.

- (a) Medical Qualifications Standards Applicable to Commercial Drivers. All commercial drivers license holders and applicants for commercial drivers licenses must meet the medical qualifications standards set forth in 49 C.F.R. § 391.41. As allowed under G.S. 20-9(g)(4)h., the Division may release information it deems necessary to any other State or federal government agency for purposes of determining an individual's ability to safely operate a commercial motor vehicle or to obtain a commercial drivers license.
- (b) Intrastate Medical Waiver. Any person unable to meet the standards in 49 C.F.R. § 391.41, as adopted by the Division, may apply for a medical waiver that, if approved, will authorize intrastate operation of a commercial motor vehicle. Applications for the medical waiver must be submitted to the Division in writing. Waivers may be granted for no more than two years.
- (c) Intrastate Operation Subject to Waiver. Any person granted an intrastate commercial drivers license medical waiver is permitted to maintain a commercial drivers license and operate a commercial motor vehicle in intrastate commerce subject to the following conditions:
 - (1) The commercial drivers license must display a restriction to signify it is only valid for intrastate operation.
 - (2) The holder of the license must submit to medical recertification at intervals set by the Division.
 - (3) The holder of the license must timely submit all documentation required by the Division.
 - (4) Failure to meet any condition within the time period allowed will result in an automatic downgrade of the license holder's commercial drivers license to a Class C regular drivers license. (2016-90, s. 6(e); 2018-74, s. 10(c).)
